READING THE PATTERN

Rnd2:(2sc,inc)*6,(24sts)

Rnd2	(2sc,inc)*6	(24 sts)
Row or round number	What stitches to do in this round,and how many times	Total number of stitches in the round or row

For round 2, repeat the pattern in the brackets for 6 times. The pattern is: single crochet in each of the first 2 stitches, then increase stitch in the next stitch.Because an increase is actually 2 single crochet stitches in the same stitch of the previous round, the total number of stitches in this round is 24.

FINISHING CROCHET PIECES

Depending on the piece you're working on, youwill need to use one of these methods tofinish it off:

INVISIBLE FASTEN-OFF:

Pull the yarn tail through the last stitch.Use a tapestry needle to thread the tail, then pass it under the stitch after the next one. Guide the needle between the ""of the stitch you just came from, from top to bottom,and out the other side. Pull the tail so the new stitch matches the others in size. Lastly, weave the needleunder the nearby horizontal bar for added security.

FASTEN-OFF:

Slide the needle under the front loop of each of stitches, one by one, from the inside to the outside,then pull on the yarn tail to tighten the hole in the middle. Hide the yarn tail and cut off the excess yarn.

CROCHET EDGES TOGETHER:

Join the sides together. Align the first and last stitches of the round.insert your hook through both stitches and make a single crochet stitch. Continue crocheting through both sides of the round.If it's easier, start with the first and second-to-last stitches instead.
